

TRIP DOWN MEMORY LANE: DO YOU REMEMBER ANY OF THESE CELL PHONES?

Remember, TCC is your best source for Verizon Wireless in the area! Stop in to see the latest devices!

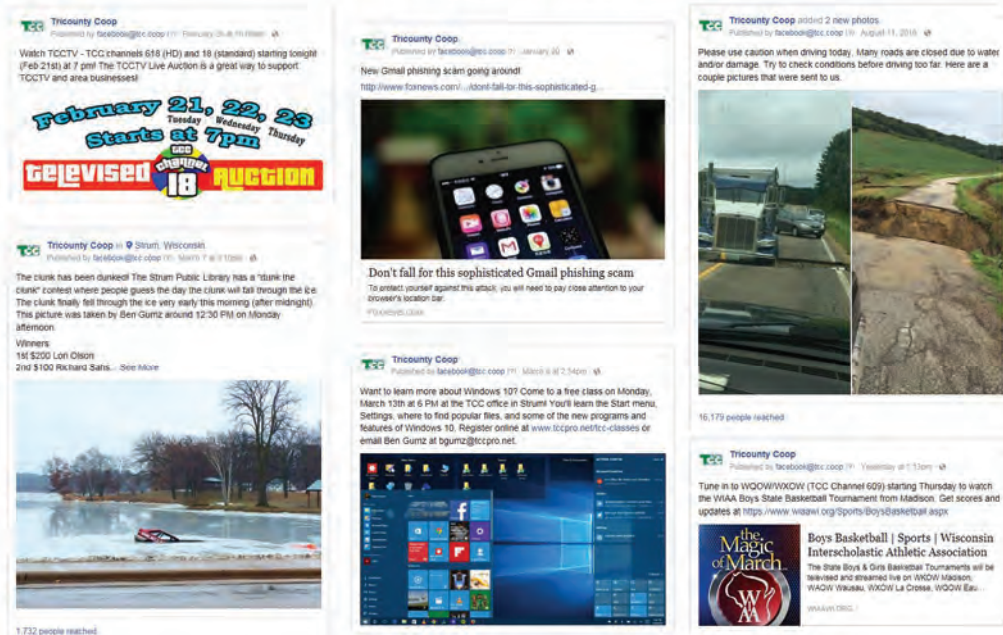

EMPLOYEE SPOTLIGHT:

Stephanie Knutson -- I started working for TCC in November 2015 just before graduating from Winona State University in May 2016. I work as a Customer Support Specialist and Verizon Agent. In my free time, I enjoy all types of sporting events and spending time with family and friends.

2017 ANNUAL MEETING RECAP COMING IN THE MAY NEWSLETTER!

CYBER SECURITY: TCC IN YOUR CORNER

Cyber security is a HUGE topic these days with the varieties of threats and the skill and savviness with which they are being carried out, it takes a cooperative effort to keep safe. At TCC, we put a number of processes and safeguards in place from your home to the gateway to the Internet to protect your data, devices and information.

Our wireless routers are setup with a Wi-Fi password to prevent unauthorized users from connecting to your Internet wirelessly. Of course, when you are away from home, you need to be careful of the Wi-Fi you use.

We include Email Filtering with every TCC email address (tcc.coop, triwest.net) to block dangerous email from getting to your TCC email account. Phishing emails are one of the most common threats today.

TCC and Airstream (our network partner) use all the latest available security measures to ensure our servers protect your data and your information. Our servers are even tested to check/verify their security.

We do not share any personal, financial, or network information with anyone who is not authorized on your account - that includes how we gather and use your contact information.

We proactively post and share about the latest viruses, scams, and threats going around on the Internet to help keep our customers aware of the threats and what they need to do to protect themselves.

There are also things that you, as an Internet and technology user, can and should be doing to protect your own data as well: having anti-virus protection for your computers, using strong passwords, and educating yourself on Internet threats and what to watch for so you don't bring cyber threats upon yourself. (see our March 2017 newsletter for more on this)

COMING SOON: STORM SEASON

With storm season around the corner, it's a good time to protect your equipment from lightning and power surges:

1. Get good surge protectors for your electronics (a power strip is not a good surge protector)
2. Unplug them from power and service lines if a storm is expected or if you will be out of town for a number of days.
3. List major electronics on your insurance so they will be covered in case of damage.

Sunday, April 16th

Happy Easter

Our offices will be closed Friday, April 14th at Noon for Good Friday

APRIL FREE TECHNOLOGY CLASSES

GOOGLE APPS -- IPAD BASICS-- WINDOWS 10

Check out the FREE technology classes TCC is offering in April!

Google Apps - Google Docs, Google Maps, Google Translate, Gmail and more!
 Monday, April 3rd at 2 PM and 6 PM at the TCC office in Strum

iPad Basics - Learn how to use an Apple iPad tablet from pictures to email.
 Monday, April 10th at 2 PM and 6 PM at the TCC office in Independence

Windows 10 - If you are new to Windows 10, this class is for you!
 Monday, April 17th at 2 PM and 6 PM at the TCC office in Strum

Sign up by filling out the registration at www.tccpro.net/tcc-classes or by calling us at **715-695-2691**. Let us know which class(es) you wish to take, the name(s) of those attending and a contact phone number and email address. Classes are free and open to anyone. Pre-registration is required. All materials for the class will be provided by TCC but you can bring your own devices to the class if you like.

YOU GET STREAMING ACCESS TO ALL THE SHOWS AND MOVIES IN THE ENTIRE HBO LIBRARY WITH HBO ON TCC CABLE!
