WEATHER ALERT SYSTEM

We've had some questions regarding the emergency (weather) alert system on our cable system. We are required by the FCC to switch your current programming to the Emergency Alert System whenever it is implemented by the FCC, FEMA or the National Weather Service for our zone. (see <https://www.fcc.gov/general/emergency-alert-system-eas>) We are designated in the West Zone.

We understand that some people do not like these interruptions and we do apologize, but TCC does not have any control over this process or the weather information on the channel you are switched to. If you miss any of your show due to an EAS alert, you may be able to re-watch it using WatchTVEverywhere! (watchtveverywhere.com)

CHANNEL CHANGES

Universal HD (ch 682) and Esquire (ch 151) are ceasing distribution on June 15, 2017 so they will no longer be available. We are adding E! HD (ch 662) and PBS Kids (ch 95) on June 20, 2017. Plus, several new local school district channels have been added to our system! Here are the current school district channels:

- 879 Alma Center
- 881 Blair-Taylor
- 883 Galesville-Ettrick-Trempealeau
- 884 Independence
- 885 Whitehall
- 886 Eleva-Strum

JUNE SPONSORED EVENTS

- Friday, June 9th - Independence Days (Food stand)
- Monday, June 26th - Park Beats in Osseo

DO YOU KNOW SOMEONE ON THIS LIST?

We are looking for some people who had service with WWCC between 1997 and 2005 so we can be assured they receive their Capital Credit check when we are able to do retirements. If you know someone here, call us or visit www.tccpro.net/wwcc-list.
