### Free Technology Class from TCC "Ask The Pros"

Thursday, February 15th from 10:00 am - 12:00 pm  
 Shirley M. Wright Memorial Library, Fremont St., Trempealeau, WI

Open topic - bring your questions (and personal devices, if applicable) to this class. Get your questions answered one-on-one, and stay and listen in while others are being helped to learn more! Free and open to anyone. Visit [www.tccpro.net/tcc-classes](http://www.tccpro.net/tcc-classes) often to find other classes!

\*\*\*\*\*

Stream. Game. Shop.  
 Surf. Work. Connect.

You can do it all with TCC Internet with speeds from 20 Mbps up to 1 Gbps!

## THANK YOU! TO THE FOLLOWING BUSINESSES WHO RECENTLY CHOSE TCC:

7th Street Pub, Allied Cooperative, Arcadia School District, Becker Quality Windshield, Elk Creek Lutheran Church, Embrace Wellness, Fireline Sprinkler Company, Flex Appeal Fitness, Guerrero Grocery/Restaurant, Kolve Valley Outfitters, Motel 95, Sourcecut Industries, Stevens & Associates, Tri-State Well Drilling, Tricor Insurance, Triple Trouble Poultry, United Healthcare Group, and Vogel Family Dentistry.

Thank you! We appreciate your business!

### NEW YEAR, NEW PASSWORDS!

With the start of the new year, start your online security off on the right foot! While it's easy to leave passwords as-is, it is more secure if you change them once in awhile. You never know which passwords might be compromised and providing unwanted access to your accounts to scammers and hackers. Even if you don't want to change them all, change the ones that (a) harbor financial or identifying information, (b) have very easy/simple passwords, (c) are passwords you type often, and/or (d) you have shared with others. Changing passwords just keeps you safer from hacking and identification theft!

# WATCHTV EVERYWHERE IN 2018!

Have you heard about TCC's "watchTVEverywhere"? It's the streaming subscription included with TCC Cable for watching movies, shows, sports, and events online! Over 1,000 TCC Cable customers have already signed up. Here's what you get:

- ▶ **Over 70 Cable Channels You Can Watch Online!**  
 Watch channels including ESPN, Big 10 Network, NFL Network, HGTV, A&E, Discovery, FX, HBO, MTV, and more! Watch LIVE TV or search through past shows and seasons and watch on-demand!
- ▶ **2018 Winter Olympics**  
 Watch every minute of every event from the 2018 Winter Olympics from PyeongChang, South Korea! Watch events LIVE and on Replay! Coverage starts February 7th!
- ▶ **NCAA Div. I Men's Basketball Tournament (Final Four)**  
 Once again, the NCAA Division 1 Men's Basketball Tournament is available through watchTVEverywhere. Every game both LIVE and on Replay.

- ▶ **Movie Library**  
 Movies on HBO, Cinemax, Showtime, STARZ, and FX are available like an on-demand library in watchTVEverywhere so you don't have to wait until a movie is playing to watch it. Just open the channel/app and watch anything in their entire movie library anytime you want.

- ▶ **And it's FREE with TCC Cable!**  
 Just go to [www.watchtveverywhere.com](http://www.watchtveverywhere.com), choose "Tri-County Communications Cooperative" for the provider and click Register. Fill in the form, check your email, click the link and you are all set!

From a computer, go to [www.watchtveverywhere.com](http://www.watchtveverywhere.com) and click a channel. From a mobile device, open your "App Store" and download the Channel Apps you want to watch. [the first time you watch a channel, you'll need to pick us as a provider and sign in]

## IMPROVE YOUR WI-FI COVERAGE!

### NEW CALIX 804 MESH

If you have a "Gigacenter" from TCC for your Internet and you need better Wi-Fi speed and coverage to all your devices, look no further than the new Calix 804 Mesh.

The Calix 804 Mesh has a boxy shape that is not your traditional looking Wi-Fi extender, but it offers outstanding range and speed -- far better than most Wi-Fi extenders off the shelf.

The Calix 804 Mesh is easy to install yourself. Just plug it in, press the WPS button on your Gigacenter and then press the WPS button on the Calix 804 Mesh and it's connected! We have a tutorial video on our website in case you need help installing the Calix 804 Mesh.

As the name implies, the Calix 804 Mesh creates a "mesh" network - which duplicates the network from the Gigacenter, rather than creating a second Wi-Fi network in your home like most extenders/routers so you can move seamlessly throughout your house without changing networks. This is especially important when it comes to wireless printing as you don't have to worry which network your printer is connected to.

TCC has these available for purchase - contact us today to get a Calix 804 Mesh and boost your home Wi-Fi!

## NEED YOUR COMPUTER CLEANED UP OR TUNED UP?

Do you have a computer that has gotten slow over the years, or perhaps has some junk in it? Do you want to clean it rather than give up on it because it is still a good computer? If so, TCC has some resources to help you:

### (1) Tech Home Packages

TCC's Tech Home line of services (Anti-Virus, Cloud Backup, Password Manager) give you the tools to clean your computer and off-load some of your pictures and other files to save space. The Tech Home "Protect" plan is included with TCC Internet. Upgrade to the Tech Home "Support" plan (\$14.95/month) for "Premium Support" which gives you additional support above and beyond just virus/malware help. You get help for your computer and Wi-Fi devices - it's like having your own personal technician on call!

### (2) Total Tech

The same company that provides our Tech Home services and our after-hours support can do remote computer cleanings and tune-ups as needed, without subscribing to anything. They offer affordable prices and they guarantee their work. Plus, since they log in and perform the work remotely, your computer never leaves your house and it's fixed right away! Just call them at 1-877-373-3320.

### (3) TCC ProTech

For things not covered by Tech Home services or that Total Tech just can't fix remotely, there's TCC ProTech services! We have computer technicians that can clean, update, repair, and tune-up computers at our office. Just bring your computer to any TCC sales office (including Galesville Community Room Wed. pm and Thu. am) and we'll take it from there! Most work is just \$75 and is completed in just a few business days.

Many computers can be repaired, cleaned, or upgraded for far less than a good new computer. Then you don't have to learn a new operating system, get used to all new programs, and transfer your old data.

**Save Time And Money This Year With EFT (Direct Pay)**

- ✓ No more writing checks!
- ✓ No more stamps!
- ✓ No more calling in payments!
- ✓ No more having to remember to pay!
- ✓ Your bill is paid automatically through your bank or credit/debit card!
- ✓ Save time, money, and hassle!

Be sure to check out TCC's "Smart Hub" online bill access to view/pay bills online! <https://tcc.smarthub.coop>

## TECH HOME
