20 THINGS TO DO WITH AMAZON ECHO

1. Get the weather "Alexa, what's the weather today?"
2. Look up a phone number "Alexa, what's the phone number for Tri-County Communications in Strum, Wisconsin?"
3. Find out who sings that song or is in that TV show "Alexa who sings...?"
4. Make your grocery list on your smartphone.
5. Set a quick timer while you're cooking or exercising.
6. Get the scores or find out when your favorite team is playing next.
7. Play music (online radio, Pandora, iHeart, Sirius XM, YouTube, or from your device).
8. "Dinner's ready!" Use for announcements/intercom through other Echos in the house.
9. Get a "fact of the day" (or more!) from Curiosity.com.
10. Get step-by-step instructions for getting out certain stains or cooking certain foods.
11. Create a "choose your own adventure" story using Earplay... "Alexa start Earplay"
12. Play "Trivia Hero" quiz game (calls out questions, you shout the answers).
13. Find recipes, send them to your tablet/phone and even hear step-by-step instructions.
14. Create a routine triggered by a phrase (so Alexa does multiple things with one command).
15. Make long distance calls to other Echo users.
16. Set timed reminders for yourself.
17. Change a (smart) thermostat by voice command.
18. Turn your (smart) lights on or off by voice command.
19. Control your Amazon Firestick.
20. Easter Eggs -- find funny pre-set responses to hundreds of phrases. Look for them online or try to guess them by asking Alexa.

HEY ALEXA...

Find Amazon Echos online at most electronics and computer retailers or at amazon.com.
