

CALL SCREENING USER GUIDE

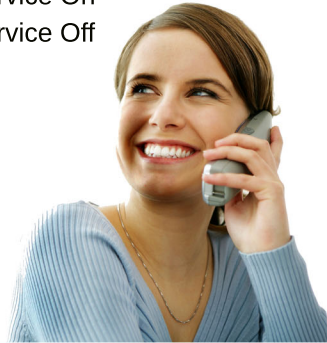

Call Screening intercepts your calls to block telemarketers, robo-calls, spam calls and scam calls. Your callers will be challenged to press 1 to put their call through to you. Those who do not press 1 will not go through.

Here are the instructions for managing this Call Screening service through your telephone:

Dial *95 from your home phone and follow the voice prompts to access Screen Control by pressing 2, where you will have the following options:

- Press 0 to block the last caller
- Press 1 to add a number to your blocked list
- Press 2 to remove a number from your blocked list
- Press 3 to remove ALL numbers from your blocked list
- Press 4 to add a number to your allowed list
- Press 6 to turn Call Screening service On
- Press 7 to turn Call Screening service Off
- Press 8 to block private callers
- Press 9 to allow private callers
- Press * to repeat menu options

If you wish to add the last caller's number to your Blocked List, simply hang up and dial *96.
