With SmartHub, you can view and pay your TCC bill from your computer, tablet, or smartphone! Just download the app or visit the TCC SmartHub website! <https://tcc.smarthub.coop>

Scholarships Available

TCC will again be offering scholarships to area high school students who are continuing their education. The scholarship application is on our website: tccpro.net.

TCC Closed Nov. 29th

TCC will be closed at noon on Tuesday, November 29th for a staff meeting.

Veterans day was first conceived on June 4, 1926 and ratified in 1938 as Armistice Day. It changed to Veterans Day in 1954. See: www.va.gov/opa/vetsday/vetdayhistory.asp.

Thank you to all of the men and women who have served in our Armed Forces. We salute you and we thank you for your service! Thank you also to organizations that continue to support veterans!

SCHOLARSHIPS AVAILABLE FOR HIGH-SCHOOL SENIORS!

TCC will again be offering scholarships to area high school students who are continuing their education. This is a great opportunity to earn \$500 or even \$1,000 toward your education! Scholarship applications will be accepted until just prior to the TCC Annual Membership Meeting. There will be a random drawing among all applicants for the available scholarships. Watch our website for scholarship opportunities from the FRS (Foundation for Rural Services) or visit <https://www.frs.org>.

CAPITAL CREDIT RETIREMENT - NOVEMBER BILLS

This year, we retired \$1,100,000 across all three divisions for Capital Credits! This is another great benefit of being a member of a co-op! Active members receiving Capital Credits will see a credit on their November bills (toward their current balance). Inactive members that are eligible will receive a check in the mail. Call us if you have questions.

DISCOUNT FREEDOM

Have you heard about our new service discounts? They are TCC's new program for saving money when you have multiple services, but without confining you to particular service levels, features, and add-ons. With our new service discounts, you choose your Internet plan and then choose your TV or phone plan (or both!) and you get the best discount available-- regardless of whether you choose the highest plan or the lowest plan or whether you add any extras or not. The discount is based on the number of core services you have (Internet, TV, phone) and not which plan(s) and extra(s) you have. Visit: tccpro.net/gettcc/freedom

CO-OP MONTH 2022

Thank you to all those who stopped in to our offices for Co-op Month! The newsletter had to be published before we drew the prize winners so they will be posted on our Facebook page (winners will be contacted directly). We hope you had time to think about and appreciate what cooperatives mean to our area and the benefit of being a member of a co-op!

2023 ANNUAL MEETING TUESDAY, MARCH 28, 2023

Participate in your cooperative by attending the 2023 Annual Membership Meeting! The meeting will be offered online and by call-in. More information will be sent out in the coming months. Voting will take place in the Eleva-Strum and Independence districts.

Happy Thanksgiving!

Our offices will be closed Thursday, November 24th and Friday, November 25th for Thanksgiving.

LEARN MORE ABOUT STREAMING

There are more and more people turning to streaming for their TV content. Streaming is watching TV through the Internet using a smart TV or a streaming device plugged into your TV. There are a wide variety of apps, subscription services, and networks that offer streaming options. Costs range from "free" to roughly \$15 per month, depending on the service and content. You can learn more about streaming, including what it is, what you need, and how to find streaming content on our website. Go to tccpro.net and find [About > Blog](#) or [About > Videos](#) for videos and blog articles about streaming.
