## 2024 TCC Annual Membership Meeting

Tuesday, March 26th at 7 pm ~ Virtual Meeting

The Tri-County Communications Cooperative Annual Membership Meeting will be held on Tuesday, March 26th at 7 pm. It will be a virtual meeting with a call-in option. Pre-registration is required. Voting (by paper ballot or electronically through SmartHub or a website) will take place for the Pigeon Falls/Northfield/Pleasantville/Whitehall district.

The Annual Meeting is a great opportunity to participate in your coop! You will hear reports from your Board President and TCC officers on TCC from the past year and what is coming up in the future. By participating (online or by phone), you will receive a \$25.00 bill credit (one per membership) on your May bill.

Watch for the meeting notice being sent by E-Mail and postal mail on March 7th with further information and instructions for attending the annual meeting. To stay up to date on our Annual Meeting, check our website for updates: <https://tccpro.net/gettcc/annual-meeting>.

### Stop Unwanted Calls with Call Screening

Call Screening can block spam, scam, and political calls!

Are you tired of unwanted phone calls? Are you dreading another political season for the additional unwanted calls? TCC has a feature that can help called Call Screening. With Call Screening, your callers will be notified that you have Call Screening and will be asked to press 1 to put their call through. If they don't press 1, their call won't go through. This eliminates most unwanted callers because they are automated and cannot press 1.

Those that press 1 will be added to your list of approved callers, so they won't be asked again. You can pre-approve numbers so they will never be asked. Call Screening is available in the 287, 694, 695, 983, 984, and 985 exchanges.

Call Screening

Streaming TV Tutorial Videos

Thursday Tech Talk

Wi-Fi Management App

#### This month:

St. Patrick's Day March 17th

TCC Annual Meeting March 26th

Good Friday March 29th  
TCC offices will close at noon

Easter Sunday March 31st

#### TCC en español:

Tenemos el boletín en español en nuestro sitio web y en nuestras oficinas locales.

También contamos con una nueva línea telefónica en español para que pueda hablar directamente con nuestros empleados que hablan español. Es 715-985-6203.

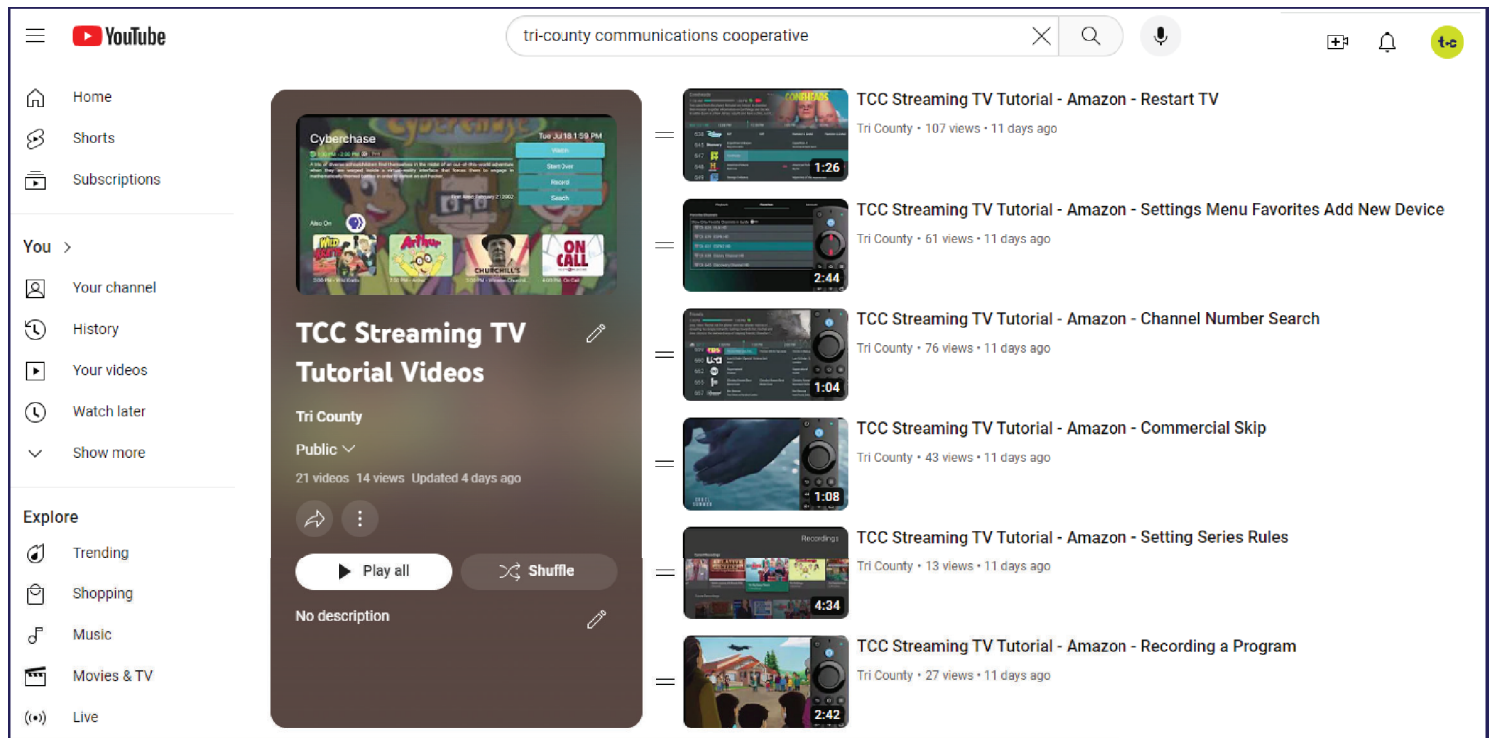

# Streaming TV Tutorial Videos

Learn how to use TCC's new Streaming TV service on your Amazon, Apple, or Roku device!

Do you have TCC's new Streaming TV service? Would you like more help using the remote and features? Check out the new tutorial videos we have just posted on our YouTube channel and linked on our website to help you learn how to access and use the menus and features of streaming TV through your particular device.

The videos cover topics including: Recording a Program, Setting Series Rules, Managing Your Recordings, Navigating the Menu, Using Restart TV, Skipping Commercials, Using the Channel Number Search, and more!

Find the videos at: <https://www.youtube.com/@tricitycoop> or <https://tccpro.net/gettcc/tv-streaming>

## Thursday Tech Talk

WHTL 102.3 FM at 9:10 am on Thursdays!

TCC's Ben Gumz talks about technology from what's new at TCC, cool tech devices, security tips, and current scams, to general technology info. Tune to WHTL, FM 102.3 Thursday mornings at 9:10 for Tech Talk!

## Free Wi-Fi App

Free Wi-Fi management tool!

Have you downloaded the TCC Total Wi-Fi app yet? It's a free app to help you manage your Wi-Fi. With this app, you can check your Wi-Fi, pause your Wi-Fi, run the speed tests at the router, and manage your Wi-Fi password. What are you waiting for? Download it today through your app store!

There is also an expanded version that protects your connected devices and lets you set up parental controls and device priorities. Contact TCC for more info.
