What's Happening

Watching Football This Season: Make sure you get the channels and apps for your games!

As in recent years, NFL and college football will be broadcast on a combination of TV channels and streaming apps. The NFL has announced that games will be shown on traditional channels, along with three streaming platforms this season. The season opening game will be on Friday, September 6th and it will be broadcast exclusively on Peacock, streaming service from NBCU. Thursday Night Football will be on Amazon Prime and has games on Christmas Eve will be broadcast on the streaming platform.

Recent Email Scam!

Fake email going around!

We recently saw a fake email going around to a number of customers saying their account will be deactivated unless they took action. This was FAKE. It was NOT from TCC. Just delete the email!
