

The Connection

January 2025

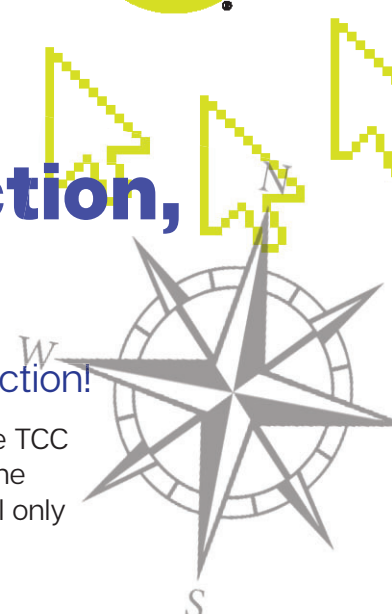

Goodbye Connection, Hello Compass!

Our newsletter is going in a new direction!

This will be our last paper newsletter printed in the TCC bills. We launched our new e-newsletter called "The Compass" this past August. Going forward we will only send an e-newsletter.

Why is an e-newsletter better??

- Interactive with direct links to stories, videos and web pages!
- Size is not constrained to the printable area of two pages!
- Have it delivered to more than one email!
- More cost-effective for your cooperative!
